Celestial jewelry is a vivid reminder of infinity and the limitless potential each of us carries deep within ourselves. Gold is considered as the symbol of illumination, with the moon being the universal symbol of femininity for the rhythm of life.

The constellation is well known for its unique "W" shape and was named after Cassiopeia, the queen of Aethiopia. Cassiopeia might have been arrogant according to Greek Mythology, however, she was strikingly beautiful. Our sustainable diamond jewelry necklace is elegant, dainty, and absolutely beautiful, just like the queen of Aethiopia.

The Amare heart necklace is adorned with mesmerizing rubies every new mother deserves. This unique jewelry push present will be a signal of her everlasting love at beginning of her new journey. This color-rich, sustainable piece was made to be loved long after it has been received as a heirloom that symbolizes commitment. Consider it as a beautiful, sweet little heart charm with inherent sentimental value.

Just as the Earth orbits the sun, so does the beginning of motherhood. Our Luna ring represents the passage of time, femininity and reminds us of our wisdom and to celebrate new beginnings. The moon is associated with the archetypal figure of The Mother, the one who births and nurtures with love and affection.

The key to choosing a memorable push present that gets a beautiful reaction is tailoring the gift to match the expectant mother's personal style and preference. For that reason, our Etoile earrings are a classic staple every woman will love. They offer the tiniest subtle sparkle, making it extremely easy to mix and match with other pieces without interfering with any of her daily activities.
