Whether you are a maximalism-addict or a show-stopping shoe hoarder, this summer is dedicated to all things vibrant! The Rainbow Tie Dye Crocs come bearing the ultimate gift of comfort, combined with non-marking, and odor-resistant qualities. Your next go-to shoes that make the most of two of summer's favorite trends: chunky soles and all-over prints.

---

A new take to the iconic Dr. Martens silhouette that has been a wardrobe staple for more than 70 years. The Doc Martens 2976 Chelsea Boots carry all the perks of their all-time-classic air-cushioned sole, welted construction, and yellow stitching. This time your pre-teen punk rock fantasy comes in Victorian-inspired style, able to elevate your look in more ways than one.

---

Whether you were a die-hard fan of the anime, the trading cards or, the OG Nintendo video games series, this Pikachu Stuffed Animal is about to bring back some long-forgotten childhood memories. Let's just say that even 25 years later, Pokemon doesn't show signs of slowing down. So, go on! Grab this cutie while you still can.

---

This super-soft, snuggle-worthy plushie is exactly what your ever-growing collection of Among us plush toys needs right now. Is it us, or the pink version looks significantly cuter than the other colors?

---

The festival season always manages to find a way to turn us into color and fringe-obsessed hippies. Blame in on the numerous bohemian clothing options that flood our feeds, or just on the fact that we all love to try the breeziest silhouettes and colorful accessories that go hand in hand. These Flower Sunglasses will tempt even those you are overly committed to their minimalistic, neutral-colored outfits, we promise.

---

Apart from the obvious super cute packaging, the Ohii Lip Gloss is actually a foolproof way to add a coat of pigment-rich color to your lips for that juicy and lush effect we all love. Moreover, this show-stopping shiny gloss is cruelty, paraben, and petroleum-free. What more can we ask?

---

Coach is a leading design house of luxury accessories, and that includes their Brown Coach sneakers too. Slim, yet modern and super versatile, these sneakers quickly became a fashion staple amongst the preppy-chic street style fanatics. Blame it on the flattering silhouette that perfectly matches every outfit with ease, or simply on the dozens of celebrities who have been spotted rocking their new kicks. We are talking about a worthy addition to your wardrobe right there!

---

It's not the ever so stunning hue of millennial pink, it's the fact that this Pink Vase is going to look hella cute as a prop for all your future snaps. You have the ultimate way to effortlessly enhance the look of pretty much every room right here!

---

If you are on the hunt for a seriously spacious and stylish tote bag that will help you carry all your essentials without clashing with your outfit, then quickly snag the Keith Haring Tote Bag. Apart from being an artist whose pop art and graffiti-like artwork have taken the world by storm, Keith Haring was a true icon of the New York art scene during the 1980s. I bet you can easily recognize his unique prints and motifs.
